## Wild Cards

Wild cards for Main Draws are only given to deserving South African players.

Wild cards for Qualifying rounds are normally also only given to deserving South African players, but in extreme cases and where the situation warrants, we may consider giving a Qualifying wild card to an international player.

Such considerations would be done only after withdrawal deadlines when we can assess how full the entry list is and if there are enough spots available to allow for on-site sign ins.

You may send your request for consideration, but now correspondence will be entered into prior to withdrawal deadlines and then it is up to the Tournament Director, in association with TSA to decide who to allocate such wild cards to. Once the list has been finalized all successful applicants will be notified. Should you not receive any feedback, it would mean that your application was not successful. Unfortunately we are simply not able to respond to the hundreds of individual emails received prior to tournaments.

## Safety and Security

As anywhere in the world, one needs to be aware of one's surroundings. It is not advisable to walk in town whilst typing on cell phones etc : pre-occupied individuals makes for easy targets. Moving in groups are always better than by yourself, especially at night. Our official accommodation partner, SAS is within very easy walking distance of town centre and walking during the day should not be a problem, but should you want to go out at night, rather go out in a group or arrange for a taxi/Uber.

## Airport Transfers

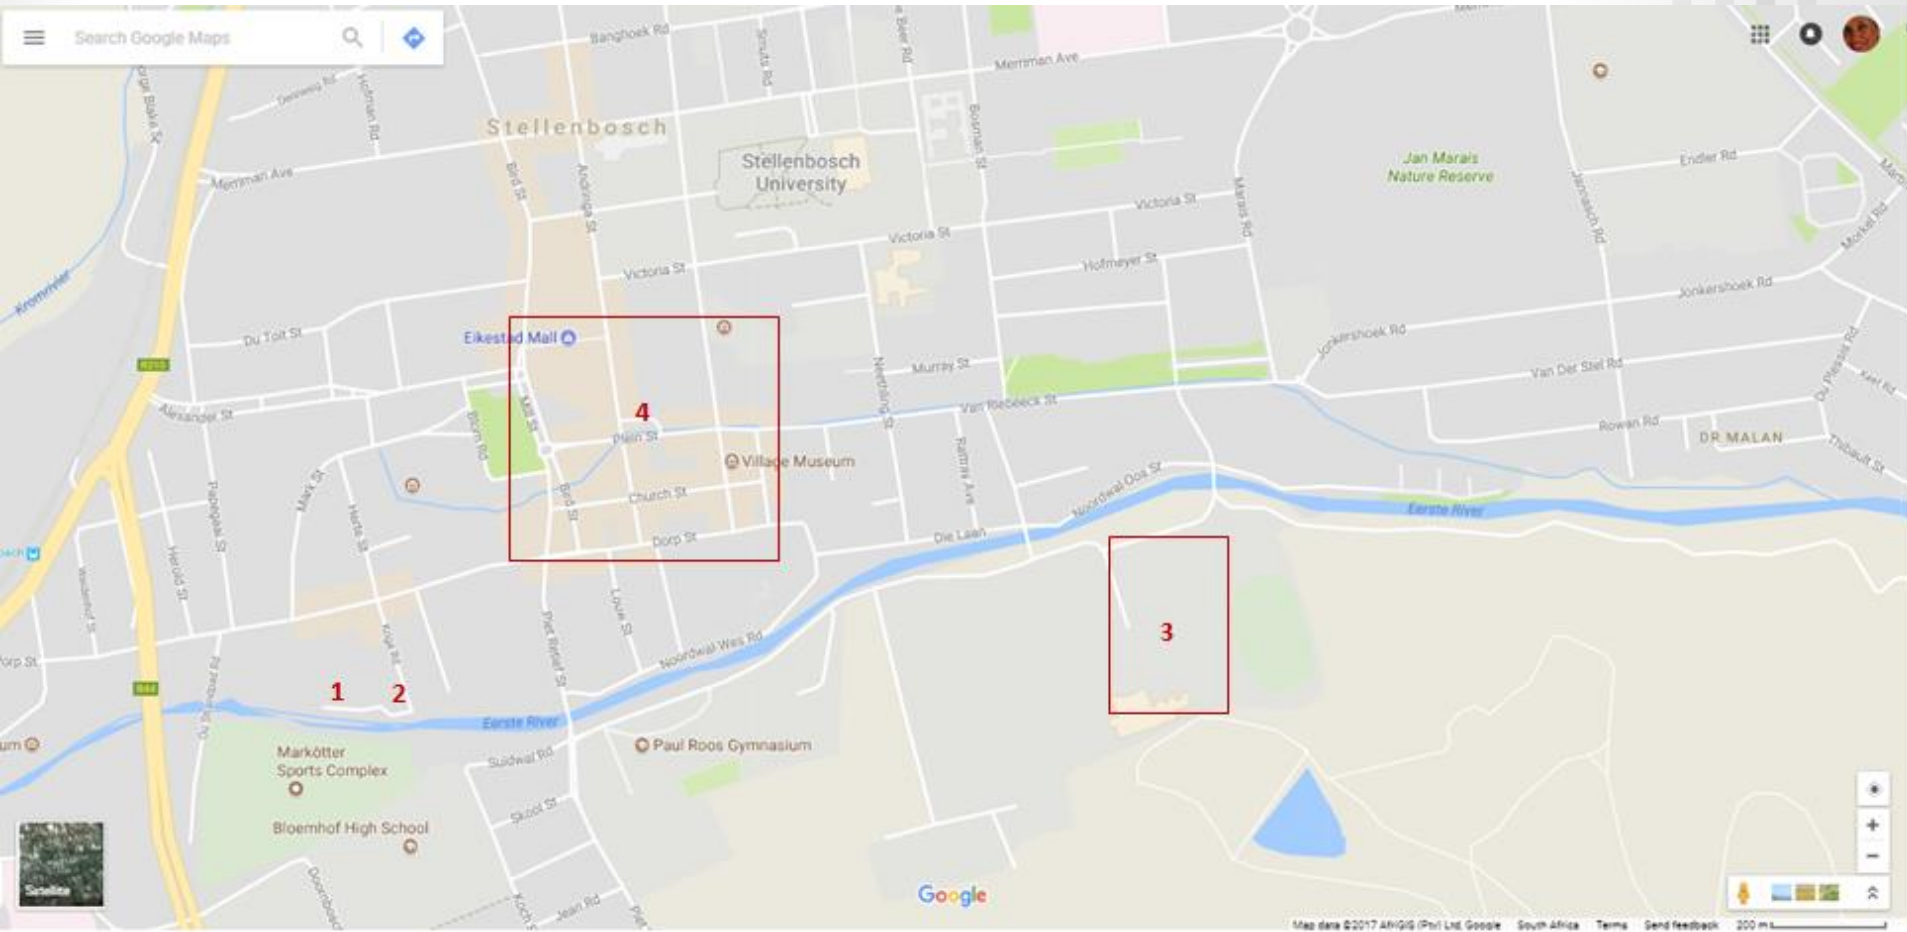

Kindly complete the attached booking form should you need an Airport transfer on arrival in SA. Costs are: R400.00 for 1 person and R250.00 pp for two or more.
